**LEE CAMP.**—A called meeting of R. E. Lee Camp, Confederate Veterans, was held last night, Commander Smeeth in the chair, when it was decided to send a delegation to Charlottesville, Va., on June 7th to attend the unveiling of the Confederate monument.

The camp decided to attend the unveiling of the monument at Portsmouth, Va., on June 15th. Also the reinterment of the remains of President Davis at Richmond on Wednesday next, May 31st. The camp will leave here on that morning on the 4:48 train which is due in Richmond at 8:50. It is important for all those desiring to go to leave their names with either Comrades Ramsey or Warfield as early as possible.

A vote of thanks was tendered commander Rev. Kitchell Nelson, D. D., for the eloquent address delivered on memorial day. Also to the ladies of Alexandria for the hearty manner in which they worked in decorating the Confederate monument and the mound in Christ Church yard, to the members of the instrumental quintette and the choir, for the beautiful and appropriate music rendered upon that occasion and to the prompt and generous response of the citizens and the people of the surrounding country to the appeal of the committee for flowers.

**CHAPTER OF ACCIDENTS.**—William Fisher, a soldier in a New York regiment in the late war, who located in this city in 1865, and while subsequently employed at Rosethal's spoke factory at the foot of Duke street, lost four fingers of his left hand by contact with a circular saw, and who then obtained a pension from the U. S. government, and again encountered a train on the R. & D. R. R. at Manassas station, some nine months since, and lost a leg in the skirmish, met with another severe and possibly serious accident on Thursday evening.

Fisher, possibly enthused with the excitement sometimes attending municipal elections, was descending the Cameron street steps to the City Hotel building and falling to safely land his crutches, fell, and seriously injured his best leg, and being unable to locomote, was conveyed to the residence of Mr. Sayers on Cameron street, where he remains, suffering greatly from his injuries. Fisher married a daughter of the late James Mills, of this city, and draws a pension of \$30 per month. It is learned that he has a suit against the R. & D. R. R. Co. for the loss of his leg and it is presumed he has grounds on which to base an application for an increase of pension.

**POLICE REPORT.**—Last night was cloudy and mild, with rain about 2 o'clock. Two prisoners were at the station house.

Mayor Strauss this morning disposed of the following cases:

Edward Grayson, colored, arrested by Officers Davis and Howson, for disorderly conduct at the foot of Fayette alley, was fined \$2.50. Grayson is a member of a gang which infests the neighborhood of the old Maryland ferry wharf and which often annoy storekeepers and others in the vicinity. The police were directed to arrest the remainder of the gang should they persist in their disorderly behavior.

Joseph Waller, arrested by Officers Ferguson and Young, charged with breaking the seal of a car on the Washington Southern Railway was discharged.

Edna Westin, charged with vagrancy, was sent to the workhouse for 90 days, but was later sent out of town.

Julia West, colored, for disorderly conduct, was fined \$2.50.

Andrew Lomax, colored, arrested for disorderly conduct, was locked up.

**BILLY WILLIAMS RELEASED.**—William Williams was released from the penitentiary yesterday after serving a term for shooting Policeman Julian Arnold in this city May 15th, 1887. Williams, before he left the penitentiary, presented Sergeant Robert J. Brooks with a very neat topknot. Williams said it was made by Shaw, who is now serving a term of eight years for wounding Sergeant Brooks. Williams, it will be remembered, after the killing of Officer Arnold eluded the police for some time, but was finally captured in Baltimore. While in jail in this city he availed himself of the use of a ladder which had been left in the yard one morning and made his escape. In the summer of 1888 he was captured by the late Officer Slack a short distance outside of Washington on the B. & P. R. R. and was returned to this city where he was subsequently

tried, convicted and sentenced to the penitentiary for five years.

**A CROWING ROOSTER.**—Among the contributions to the A. L. I. Fair which closed on Thursday night, was a rooster, sent from Fauquier county. The rooster was such an inveterate crower that the guards on duty at the fair complained that it kept them awake all night. So a considerate lady took it to her home for safe keeping. A neighbor, a clergyman, after being kept awake several nights, mildly protested against the crowing rooster and it was sent to another section of the city. Here, too, its loud crowing caused such general indignation that it had to be sent out of the city and at last accounts it was in Prince William county still crowing.

**RECEPTION.**—Rev. C. E. Ball, who has just accepted the call to the pastorate of Grace Church, was tendered a reception at that church last night. A short service was held and then the congregation repaired to the Sunday school rooms where the reception was held. Mr. Ball was welcomed on behalf of the congregation by Mr. A. A. Pruden in a well-timed speech to which Mr. B. responded in an appropriate manner. The members of the congregation were then introduced to the new minister by Messrs. A. A. Pruden, Chas. King and Geo. Darley. The church was prettily decorated with flowers for the occasion.

**PERSONAL.**—Mr. W. N. McVeigh is visiting his sister, Mrs. G. Powell Hill, in Richmond.

Miss Mamie Entwistle is visiting Miss Baldwin in Richmond.

Bishop Van de Vyver, of Richmond, was in the city to-day.

Rev. Father Kenefick has returned from Harper's Ferry.

Capt. L. J. Laird, superintendent of agencies of the Southern Mutual Building and Loan Association, of Atlanta, is stopping at the Exchange.

**THEY HAVE WIVES.**—There is a gentleman in the upper part of Fauquier county who is a devoted, earnest Christian and temperance worker. He rarely loses a chance to remind the unwary of their short comings. Some time ago he met a gallant old ex-confederate captain, and said to him, "Captain, are you aware that there is an eye always on you?" "Yes, my dear friend," replied the captain. "I can sympathize with you, I, too, have a wife."

**OPERA HOUSE—TRIPLE LINK ENTERTAINMENT.**—Potomac Lodge of Odd Fellows are meeting with success in the sale of tickets for their concert at the Opera House on Monday night, June 5th. About 200 reserved seats have already been taken. Miss Dorothy Byrde Rodgers, who made such a decided hit at a recent concert of the Musical Association, has been engaged and will render some of her choice selections.

**CHARTER.**—Judge Norton has granted a charter to the American Capital Building, Loan and Savings Association, the objects of which are to do a general building and loan association business. The capital stock is \$100,000, divided into shares of \$100 each. All the officers are Washingtonians. Mr. J. T. Callahan is named as the Alexandria agent.

**BOY OVERBOARD.**—James Hansborough, aged 10 years, while staking a boat in Hunting Creek yesterday evening fell overboard. Two little girls, Ada Hansborough, his sister, and Virginia Simpson, aged 10 and 12 years, respectively, went to the boy's assistance and rescued him just as he was disappearing beneath the water.

**THE MARKET** this morning was tolerably well supplied, though the weather had a depressing effect, and kept some sellers and buyers away. Prices for garden truck of all kinds are declining as the season advances. Strawberries are abundant and cheap. Meats and fish were in ample supplies.

Over 200 well organized branches place the Southern Mutual Building and Loan Association in a position to maintain a fixed rate of premium and absolutely control the supply and demand of funds.

**For Malaria, Liver Trouble, or Indigestion, use BROWN'S IRON BITTERS**

Over 200 well organized branches place the Southern Mutual Building and Loan Association in a position to maintain a fixed rate of premium and absolutely control the supply and demand of funds.

**A Sensational Story** has attracted attention lately but as a matter of fact the public has also devoted time to things substantial, judging by the unprecedented sale of the Gail Borden Eagle Brand Condensed Milk. Unequaled as a food for infants. Sold by Grocers and Druggists.

Examine the plan and management of the Southern Mutual Building and Loan Association of Atlanta, Ga.

## LOCAL BREVITIES.

The work of rebuilding the big furniture factory at New Alexandria is progressing rapidly.

The work of putting in new retorts at the gas works has been commenced by the Philadelphia contractors.

Dr. G. T. Klipstein has sold to Mr. T. C. Thomas two houses on the east side of Patrick street, between Duke and Wolfe.

It was Leesburg, not Luray, where a man named Lawson and a colored boy were put in jail Thursday night for incendiarism.

Complaint is made that the swells from the fast steam yacht Vamoose as she passes this city cause damage along the wharves.

The commissioners of election met at the clerk's office to-day and canvassed the votes cast at the recent election, which were found to be as published in yesterday's GAZETTE.

Clairborne Howard, colored, charged with the murder of Edward C. Atwell, a Baltimore and Ohio Railroad brakeman, was found guilty of manslaughter by a jury in Washington yesterday.

A gentleman from Washington was at New Alexandria yesterday looking for a site on which to establish an extensive paper box factory and one from Richmond visited the new town yesterday with a view of establishing a soda factory there.

Henry C. Winslip, general agent of the managers of the Chesapeake and Ohio Canal at Georgetown, has tendered his resignation to the trustee-managers to take effect on the 31st instant. It is thought that George L. Nicholson will be his successor.

The coroner's inquest held in this city yesterday prevented at least one of the jurors from attending the shad bake given by Mr. J. B. Reid, at Potomac City. The jurymen in question had been fined once before for not attending an inquest when summoned, so decided it was best to be on hand this time.

The Baltimore American says: "The Maryland and Virginia Steamboat Co. has purchased the steamer Lady of the Lake from the owners at Washington. The Lake will be brought to Baltimore for repairs, and run in connection with the Sue between Baltimore and Washington and intervening points on the St. Mary's and Potomac rivers." As heretofore stated it is understood here that the Lake will go to Philadelphia. The Lake passed down the river yesterday in tow for Baltimore.

Four years' record demonstrates beyond all question that the Southern Mutual Building and Loan Association, of Atlanta, is the best money maker.
